Speak up

for those who cannot speak for themselves

(Proverbs 31:8)

This fall *40 Days for Life North Dakota* will be joining with hundreds of thousands of people participating in the national *40 Days for Life* campaign across North America and internationally.

40 Days for Life ND takes a determined, peaceful approach to showing local communities the consequences of abortion in their own neighborhoods, for their own friends and families. It puts into action a desire to cooperate with God in the carrying out of His plan for the end of abortion in North Dakota and America.

The *40 Days for Life North Dakota* campaign is made up of three key components:

- **Prayer and Fasting:** Inviting people of faith throughout our community to join together for 40 days of fervent prayer and fasting for an end to abortion.
- **Peaceful Vigil:** Standing for life through a 40-day peaceful public witness outside the local abortion facility, Red River Women's Clinic, 512 1st Avenue North, Fargo.
- **Community Outreach:** Taking a positive, upbeat pro-life message to every corner of our city through media efforts, church presentations, petition drives, and public visibility.

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sins and will heal their land.” (2 Chronicles 7:14)

The 1200 photos in this mosaic represent the children that were lost to abortion in North Dakota last year.
